

Jellyfish Year 3

Topic Web

Summer 2

Maths

We are learning about 2D and 3D shapes and beginning to explore statistics.

English - Reading

We are going to be reading The Iron Man by Ted Hughes as a class this half term.

English - Writing

We are going to be exploring a Midsummer Night's Dream by William Shakespeare and rewriting the events through a character's prospective.

Computing

We are going to be learning about events and actions in programming and what an online reputation is.

History

Introductions to the Anglo Saxons: Why did the Anglo Saxons come to Britian?

RE

How and why do people try to make the world a better place?

DT

We are going to be making packaging structure designed to safely post biscuits!

PSHE

'Changing Me'

Music

How does music connect us with our planet?

MFL - French

We are going to be learning to introduce ourselves and name some countries and capital cities.

Science

We are going to be working on our scientific enquiry skills through different experiments this half term.

PE

We are going to be practising a range of different athletics skills and thinking about our health and fitness through games and activities.
